Circular

No. 14/4/2003-IV/PHD

Government is pleased to issue instructions that all the doctors shall have to undergo mandatory Continuous Medical Education, Workshop, Symposia and other learning methods.

All the doctors shall have to collect Continuous Medical Education Credits every five years. The doctors shall be awarded Continuous Medical Education Credits. The registration of doctors with Goa Medical Council will have to be renewed every five years, which shall be based on having collected 30 Continuous Medical Education Credits. //

Goa Medical Council shall be the Accredited Authority for C.M.E. Credits and Goa State Dental Council shall be the Accredited Authority for C.M.E.

Credits for Dentists in Goa Dental College and Hospital and those associated with Goa State Dental Council.

The above instructions shall be applicable to the doctors of Goa Medical College, Goa Dental College and Hospital, Institute of Psychiatry and Human Behaviour, Directorate of Health Services, and the doctors applying for renewal with Goa Medical Council practicing in Goa.

By order and in the name of the Governor of Goa.

*D. G. Sardesai, Joint Secretary (Health).*

Porvorim, 17th March, 2008.
