Subject: Compulsory continuing Medical Education for all
registered medical practitioners - reg.

Sir,

Please refer to this Council's letter No.MCI-311(4)/97-CME dated 10th April, 1997 and reminders dated 19th August, 1997 and 17th November, 1997 regarding implementation of the decisions of the Medical Council of India in regard to compulsory C.M.E. programme as well as renewal of registration of Medical practitioners after every 5 years. It is unfortunate that no State Govt. have intimated the action taken to amend their State Medical Council Acts for providing renewal of registration of medical practitioners after every 5 years. It shall be appreciated if the State Govts intimate to this Council on the priority basis as to what action has been taken to amend the State Laws in regard to renewal of registration as well as steps taken to implement the compulsory CME programme for all registered medical practitioners. As the Central Govt. is pressing for an early reply, a very early action is requested.

Yours faithfully,

Submitted.

For orders.
